Introduction

AlAassel Laundry is the smart laundry solution to all your laundry woes. We provide affordable laundry service that is designed around YOU and YOUR needs.

Our story started in 2001 when a stay-at-home-mom in Abu Dhabi, OH had an idea. He noticed that while everyone needs clean clothes, most people either hate doing the laundry or simply don't have the time or energy to do it. Wash & fold services were ok in a pinch but they never seemed to get it right. He knew there was a need for something different, something BETTER: A laundry service that gets the laundry done just the way you like it without all the time and hassle.

Our clients love the quality, reliability and flexibility of our personalized laundry service over the regular, old wash & fold model available at Laundromats. Why spend valuable time doing the laundry when ALassel Laundry can do it for you-just the way you like?
